Conclusion

July 31, 2025

Background

“The Armed Services YMCA is one of the **most impactful** military service organizations that **no one** has ever heard of.”

This campaign aims to **change** that standard.

Incorporating influencers into a marketing strategy not only will increase brand awareness, but create a community that encourages **vulnerability** and **connection**, in addition to what the Armed Services YMCA has already.

July 31, 2025

What is an Influencer?

“an individual who has built a significant online presence and has the ability to influence the opinions, behaviors, or purchasing decisions of their audience”

niche expertise

content creation

audience engagement

brand partnerships

July 31, 2025

Objectives

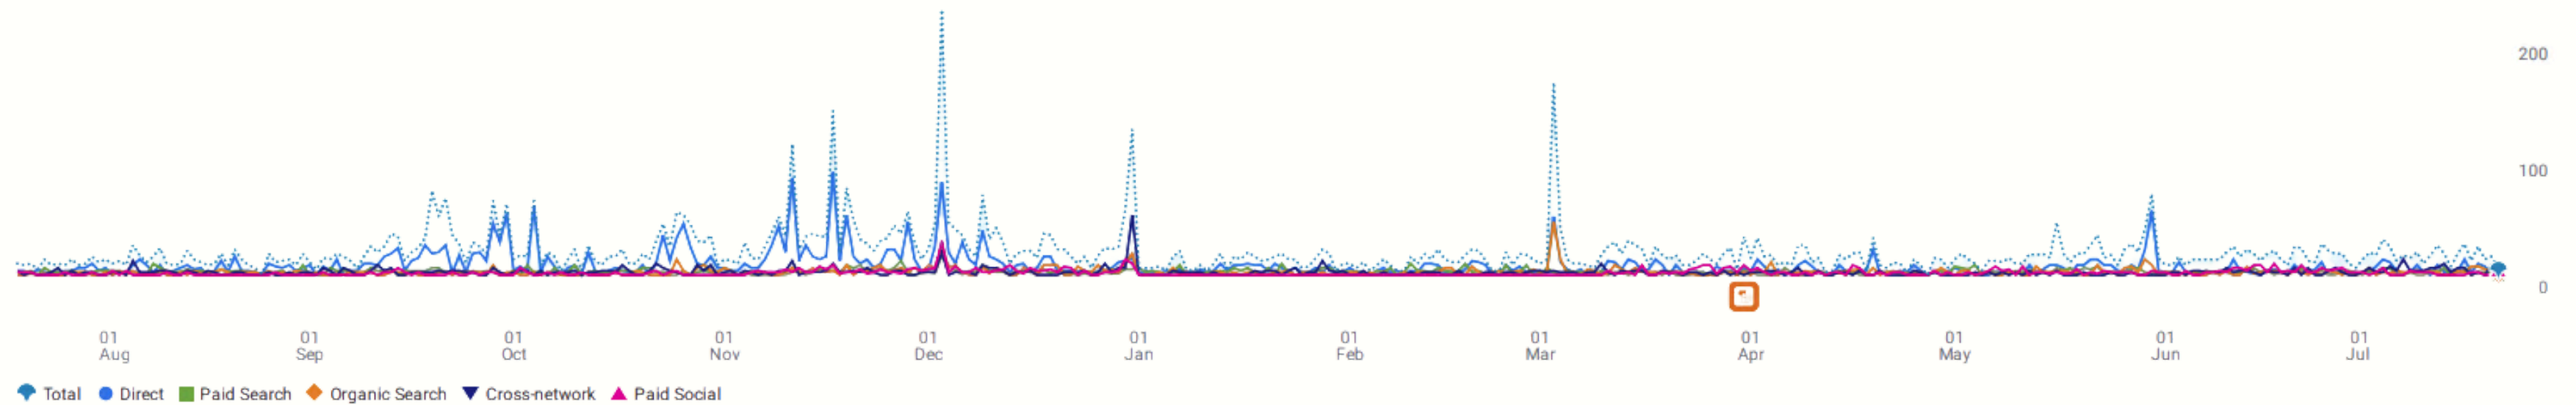

1. Increase Brand Awareness
2. Engage the Community
3. Generate Leads and Donations
4. Enhance visibility

July 31, 2025
